My Dear Mr. Noe:

Do you know of any place where I can get some coin boxes or where I can have them made? If you do would you kindly let me know, as I have none left. Please give my regards to everyone at the Museum and tell Mr. Wood that I hope he will get well soon.

Sincerely yours,

Norvin R. Lindheim Jr.

Dear Mr. Lindheim:

In response to your note of the 20th, I believe you can get such boxes as you desire at The Newark Paper Box Company, 216 High Street, Newark, N.J. Be sure to send them a sample. My impression is that they charge about one cent apiece for the small box.

Very truly yours,

Secretary
